Dear Supervisor Davis:

Thank you for your letter of August 11, 1998 regarding participation on the Bay-Delta Advisory Council's (BDAC) Watershed Work Group. You requested that Butte County Supervisor Jane Dolan be invited to participate on the work group.

I have enclosed a copy of an invitation to participate letter which the CALFED Bay-Delta Program has sent out to a number of organizations and individuals with interest in our watershed efforts. Supervisor Dolan has been requested to participate.

We are aware of the great public interest in the development of our watershed strategy and look forward to working with this new BDAC work group. If you have any questions or need additional information, please contact me at (916) 657-2666.

Sincerely,

Lester A. Snow
